Gram's Promise Charitable Foundation was founded in memory of Elizabeth "Libby" Frist. A longtime member of the White Marsh community, Libby passed away August 8, 2005 after a long battle with lung cancer. While battling her illness, it was Libby's desire to speak with young adults regarding her experience, and to stress the importance of a living a tobacco-free lifestyle. Gram's Promise is active in your community, encouraging tobacco free lifestyles primarily among children, by promoting awareness, responsibility, and the value of life through education, community involvement, and strategic partnership. More information regarding Gram's Promise can be found at our website: www.gramspromisefoundation.org

The purpose of the Elizabeth Ann "Libby" Frist Memorial Scholarship is to recognize selected high school seniors for their activism and leadership among their peers in the fight against tobacco use. Maryland High School Seniors who are tobacco-free and have demonstrated a commitment to anti-smoking advocacy are encouraged to apply.
